History of the Class of 1964

Four years ago, in September 1960, we entered high school anticipating great things in the years ahead. Those four years have passed, bringing struggles and triumphs in our attempts to acquire an education. As graduation day nears, let us reminesce . . .

As Freshmen, we had decisions to make, schedules to complete, and officers to elect. David Hemsley became president and has held that office through the four years. Judy Ramsey was vice president and Barbara Guinther secretary-treasurer. Phil Colbert, David Hemsley, Kurt Smith, and Gary McClelland were reserve football players. Regina Sikorski and Barbara Guinther were reserve cheerleaders, and Carole Jewell was homecoming attendant.

Returning as Sophomores, we found our home room redecorated, and due to this, were assigned lockers with which we have struggled through three years. Mr. Gum became our class advisor, and he has given us many hours of help and guidance. Diana Andrews was elected secretary, a position which she has retained. Ann Hughes became a member of our class. Barbara Guinther and Judy Ramsey were reserve cheerleaders, and Judy was homecoming attendant. Diana Andrews and Jane Lamborn were majorettes.

Eventually we became Juniors. With the exception that Connie Ahle was vice President, officers remained the same. Carole Jewell and Dianne Andrews were majorettes and Regina Sikorski was homecoming attendant. Kurt Smith, Gary McClelland, Phil Colbert, Butch Patton and David Hemsley were members of the varsity football team; and Rodney Riley, Butch Patton, David Hemsley, and Phil Colbert were members of the basketball team.

After much turmoil, we received our class rings. Then we began preparation for the Junior Class play. We spent many hours practicing before we presented "Pick a Dilly." An incident which occurred in practice resulted in several boys and girls receiving an old-fashioned form of punishment. Six members of the class: Connie Ahle, Carole Jewell, Barbara Guinther, Phil Colbert, Twila Nott and Leroy Grubbs, were "tapped" for membership in National Honor Society. Barbara Guinther and Diana Andrews were varsity cheerleaders, positions which they retained in the Senior year.

May arrived with "A Stairway to the Stars," our prom. This was accomplished as the result of many evenings with crepe paper, scotch tape, and kleenex. It was beautiful, and we were rewarded for the hours of work. Cathi Docie was queen, and Kurt Smith, king. Connie Ahle and Phil Colbert were delegates to Buckeye Girls' State and Boys' State respectively.

Senior officers were the same except that Phil Colbert was elected vice president. David Hemsley and Gary McClelland were co-captains of the football team. Jane Lamborn and Diana Andrews were majorettes with Carole Jewell as head majorette. Barbara Guinther was queen of the Hawaiian-theme homecoming, and Twila Nott was attendant. Senior play, "Man Overboard," was presented. Phil Colbert, Butch Patton, and David Hemsley were on the basketball team. Final plans for the traditional trip and graduation activities completed. In a few weeks, we shall have completed high school and shall take our individual places in society. We shall carry with us fond memories of the happy years in Glouster High School.

"Here comes the pride and joy of Texas!"

"Why that was nice!"

"I'm a rootin', tootin' SON-OF-A-GUN!"

"My darling Azariah!!"

"I'll slay the nasty thing!"

Pick A Dilly

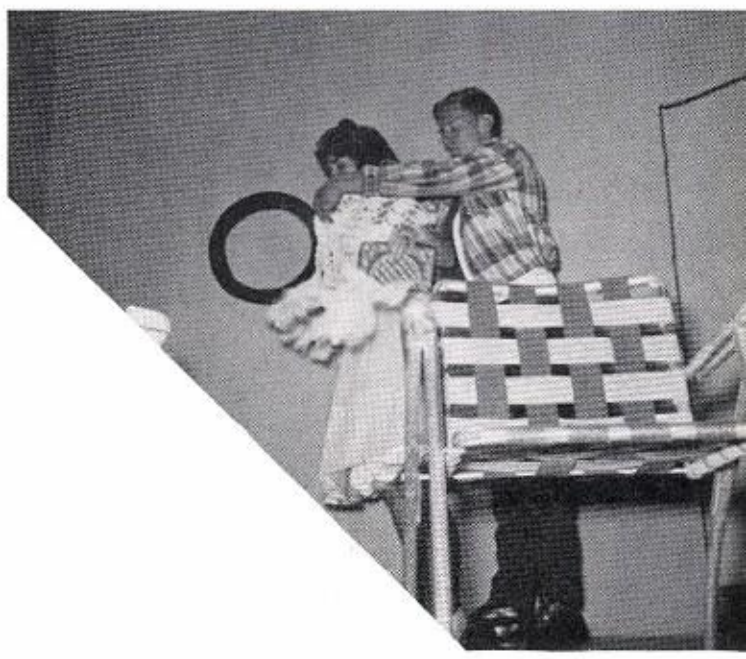
"Pucker up gal."

"Star struck!"

"Hollywood bound?"

Man Overboard

"Anything else you ladies want?"



"Come on. Let's go!"

"May I help you sir?"

"Ah wish ah could go."

"Isn't George here yet?"

1889-1964 Seventy-Five Years of High School in Glouster

"The old order changeth, yielding place to new;"
--Morte d' Arthur

In 1889, an institution was established in Glouster which continued through prosperous years and difficult years, keeping pace with economic conditions in Sunday Creek Valley.

The first high school, established under the supervision of Joseph Frances, was a one-room school with one teacher, and was located in the Palmer Building (also known as the white school) on North Street. The first class to be graduated was composed of four students. In one room, the pupils studied what are now junior high subjects. Requirements for graduation consisted of the ability to pass a teacher's examination and to deliver an oration.

The Central, or red Building, was completed and occupied in 1892. The curriculum was enlarged to include rhetoric, literature, civil government, and physical geography. The course was extended, in 1895, to two years, sometime later to a three-year course. It was then a second-grade high school with two teachers and sixty-five pupils. Mr. M. M. Bryson was superintendent, and he continued in this capacity for twenty years.

A four-year course and a first-grade charter was attained in 1905. As time passed, the high school outgrew its space in the Central Building, and a new high school was constructed in 1915. This building, now known as the Madison Building, had ten rooms which were crowded to capacity in the early 1920's, and it became necessary to construct another building, the Monroe Building, in 1925.

Then one December night in 1928, tragedy in the form of fire struck, and the Central Building was destroyed. The bell which had called children to school through the years, was heard no more. Mr. C.B. Dillon was superintendent during these years.

In 1929, the present high school building was constructed on the site of the Central Building. It has continued to provide for the education of Glouster's high school students to the present time.

Superintendents in later years were: Mr. Thomas Figley, Mr. L.G. DeLong, Mr. Karl Bodenbender, Mr. Samuel H. Dillon, and Mr. John Savel.

The Glouster High School Stadium was built in 1940 and since that time has provided space for football and other outdoor sports events.

But economic conditions in Glouster have declined through the years, and the town no longer can supply either the wealth or the number of students which the state requires for a first-grade high school, making it necessary to combine with others. The Class of 1964 is to be its last graduating class. They will join with more than two thousand graduates who have gone before them in fond memories of Glouster High School and will share a feeling of sadness that this school, which has served so long and so well, must take its place in the halls of memory.
